#AZNAMNEWS: SUSPECTED POACHER SHOT IN THE LEG

Irene-Mari van der Walt

- 34 MINUTES AGO - 2023-05-14 16:33:00

An attempted murder complaint was made to police after a man was reportedly shot in the leg as police and conservation officials pursued three suspects.

The suspects are said to have attempted to flee on foot in different directions, and warning shots were said to have been fired. One of the shots is said to have hit one of the suspects. He was taken to hospital and police confiscated the elephant tusks, which the suspects allegedly poached.
