## MEN CAUGHT WITH PROTECTED PLANTS

4 DAYS AGO - 2024-03-19 00:45:00

Three men were arrested this past weekend after they were caught with protected plant species worth approximately N\$80,000 in the Kavango West region.

"The three suspects, aged 27, 30 and 37 respectively, were arrested on Friday at the Namasira police checkpoint after they were caught with 7 x 150 kg bags of Cyphostemma, weighing about 429 kg and worth N\$79,288 is," reads the Namibian police's crime report.

According to the report, the suspects did not have a permit authorizing them to harvest or transport the specific protected plant species.
