# COP NABBED FOR TRANSPORTING SUSPECTED POACHERS

## NEWS IN SHORT

6 DAY AGO - 2024-04-29 00:45:00

A Windhoek City Police constable was arrested on Friday for allegedly using a work car to transport suspected poachers and fresh meat from poached animals. It is alleged that he intentionally used a company car in order to pass through a police roadblock with minimal suspicion. As of Saturday, the officer had not yet been charged and is currently being held at the Seeis police cells outside Windhoek. - STAFF REPORTER
