Dear Madam, Sir

The companies CSIR and Enviro Dynamics have been appointed to prepare an Environmental Impact Assessment and Environmental Management Plan for activities associated with the Orange River Mines Life of Mine Extension Project planned for the Sendelingsdrif area. This process includes consultation with stakeholders and we therefore invite all stakeholders and interested parties to participate by attending the planned public consultation meetings.

The following public consultation meetings will be held:

In Rosh Pinah:

on Tuesday, 20 April 2010 at 18h00 at the Community Hall

In Oranjemund:

on Wednesday, 21 April 2010 at 18h00 at the School Auditorium

A further public consultation meeting will be held in Windhoek at a later date – details of this meeting will be announced closer to the time.

Kindly please indicate your intention to participate in any of the above meetings to this email address (incl. the meeting to be held in Windhoek). In your response, please ensure to include the town name of the meeting you will be attending.

Please find attached further details pertaining to the project. The Background Information Document (BID) will be circulated shortly.

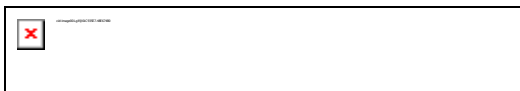

Yours sincerely

in Oranjemund:

on Wednesday, 21 April 2010 at 18h00 at the Oranjemund School Auditorium

A further public consultation meeting will be held in Windhoek at a later date – details of this meeting will be announced closer to the time.

We hereby kindly request you to accordingly inform your regional offices in the Orange River area. We would furthermore appreciate if the names and contact details of those officials who, in your view, need to attend any of the above meetings (even the one scheduled to take place in Windhoek) could be sent to us for registration on our stakeholders' list. Please send this information at your earliest convenience to our office, either via fax (061-307 437) or via email (sigi@envirod.com).

Please find attached further details pertaining to the project. The Background Information Document (BID) will be circulated shortly to the addresses registered on our stakeholders' list.

Yours sincerely

Dear stakeholder

I refer to our email sent in April (below). We are now in the process of scheduling the meeting to be held in Windhoek and are considering the morning of Tuesday, 1 June 2010 (exact time and venue to be advised).

Your Ministry's input is vital to this process and we would like to take this opportunity to inform you about the project as well as note your views, concerns and general comments on this project. Kindly please indicate who the responsible officials within your office would be that we need to invite to this meeting. We would appreciate if you could let us have a contact list, including their full names, email addresses and telephone numbers please.

Your assistance in this matter will be much appreciated.
