Rangers von Martelock,
Slater,

Re:- Preliminary Figures - Census of
32 Battalion Training area.

1. S.N.C.O Jones, Rundu phoned through the following information re the aerial game census conducted earlier this week in 32 Battalion training area in the Caprivi game Park :-

Species	Number
Buffalo	220
Steenbok	3
Duiker	6
Kudu	60
Sable antelope	33
Roan antelope	16
Elephant	868
Impala	4

Twelve elephant carcasses and 4 buffalo carcasses were seen.

2. Figures for numbers counted for the following species will be sent through at a later date:-
lechwe, hippo, sitatunga, reedbuck and crocodiles.
3. The final census report will also be sent through to this office.
