Three poachers were caught red-handed with a hunting rifle fitted with a silencer and ammunition in the [Kruger National Park](#) (KNP). According to KNP spokesperson Isaac Phaahla, the arrests were made in the Stolznek Section on Tuesday. In the first six months of 2023 a total of **231** rhinos were killed in South Africa at an average of just under **1.3** rhinos per day. Earlier this year, one of the most wanted suspect in rhino poaching related cases in Mpumalanga, Odis

Maluleke, who is also evading court cases against him was rearrested at Kabokweni on Saturday, 6 May 2023 after whistleblowers informed police on his whereabouts. The 47-year-old was initially arrested together with three of his accomplices on 20 July 2015. The ages of the other three South African male suspects were 30, 35 and 49 at the time.
