OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Chief Executive Officer
City of Windhoek
P.O. Box 59
Windhoek, Namibia

Dear Sir

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE FORMALIZATION AND ESTABLISHMENT OF HAVANA EXTENSION 6 & 7 SETTLEMENT AREA, WINDHOEK, NAMIBIA

The scoping environmental report and Environmental Management Plan (EMP) submitted is sufficient as it made an adequate provision of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. This clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable of any wrong doing, for insufficient information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with the proponent and his/ her consultants

Yours sincerely,

Teofilus Nghitila

Office of the
ENVIRONMENTAL COMMISSIONER
