Dear colleague,

**SUBJECT: RECOMMENDATIONS ON THE PROPOSED OFFSHORE REFINED OIL
BUNKERING OPERATIONS IN THE NAMIBIAN EXCLUSIVE ECONOMIC ZONE**

The MFMR has reviewed the Environmental Impact Assessment (EIA) and Environmental Management Plan (EMP) Reports submitted by Advanced Environmental Agency on 26 July 2024, on behalf of Central Oil (Pty) Ltd., and recommends that an Environmental Clearance Certificate is granted with the below stipulated conditions, as we do not foresee adverse environmental impacts from the proposed operations.

1. The proponent to implement and adopt all objectives, mitigation measures and targets set out in the Environmental Management Plan (EMP).
2. Hard copies of environmental monitoring reports must be submitted to the MFMR Directorate: Resource Management on a six-month basis. Soft copies to be submitted via e-mail to: latoya.shivute@mfmr.gov.na

I thank you for your understanding and consideration of these recommendations.

Yours sincerely

Annely Haiphene
EXECUTIVE DIRECTOR
