

19 September 2024

To Whom It May Concern:

Dear Sir / Madam

SUBJECT: FREE PRIOR INFORMED CONSENT FOR THE DRILLING OF WATER POINT AT IITAPA VILLAGE, IN SHEYA SHUUSHONA COMMUNAL CONSERVANCIES OF OMUSATI REGION.

The above subject bears reference,

At a community meeting held on Thursday 19th September 2024, at Iitapa Village, the community of Iitapa Village were fully informed about the proposed support for drilling a water borehole by the Community Conservation Fund of Namibia (CCFN).

The Traditional Authority (TA) of Ongandjera was represented by the Chairperson of the TA, Tatekulu Johannes Kandombo. Overall, the community and the TA fully understood the project and its benefits. The drilling of water borehole does not interfere with our traditional norms and culture, instead it will uplift our community livelihoods. We welcome it and encourage adequate consultation during its implementation.

This letter serve as a Free Prior Informed Consent for the project.

Yours Sincerely

AP Sion Sheehama
Village Headman
