PROFILE OF THE EIA CONSULTANT

I have over 30 years of technical and managerial experiences gained through formal employment in the mineral economic sector. I worked for Namdeb (17 years), Namibia Small Miners Assistance Centre (5 years), Cape Cross Salt (6 years), Weatherly Mining Namibia (3 years) and Fourth Mining Company (2 years). In 2015, I started Ekwao Consulting providing consultation services in the mineral sector i.e. registering Mineral Rights (EPLs, Mining Licences, Mining Claims, etc.) including Environmental Support Services (EIAs, Stakeholders' Engagement, Renewals, Auditing, etc.) to a growing number of clients. At the same time, I am also pursuing studies at a master level in Environmental Science Management.

EDUCATION

Master of Environment Science & Management (2019 – ongoing), University of South Africa, RSA
 Diploma in Project Management (2002-2002), Stellenbosch Business School, Western Cape, RSA
 B Tech Mining Engineering (2003-2004), University of Johannesburg, RSA
 NHD Mining Engineering (1992-1992), Technikon Witwatersrand, now University of Johannesburg
 ND Mining Engineering (1988-1990), Technikon Witwatersrand, now University of Johannesburg, RSA
 Matric (Grade 12) (1979-1983), Oshigambo High School, Oshikoto Region, Namibia
