EKOTO VILLAGE

04 November 2024

Orupupa conservancy

I Mr. Kapara Kapara ID: 56112600045 traditional senior councillor, for many years we had this untapped potential, with our six springs, a cliff which is a geographical land mark and different game animal. Our intention and plan is to find developers who will turn this into an income generation business. For me as a leader of the Ekoto village, am hereby showing my willingness to allow development to take place. Thus I have delegated Orupupa conservancy leadership to spear head this development.

Yours in development

Senior Councilor
