Dear Mr Mufeti

APP004888 - APPLICATION FOR THE RENEWAL OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE CONTINUED OPERATIONS OF AN ABATTOIR ON PORTION 808 OF FARM STAMPRIED 132, STAMPRIET, HARDAP REGION

We have registered the above project on MEFT's online system on 31/10/2024. The application has since been verified around 7 November 2024. However, no confirmation of screening notice was received via email. We have given it some time to monitor if it will eventually come through.

In the interest of time, we thought of notifying you through this letter of the challenge encountered and why we are not able to upload the confirmation of screening notice, while we monitor if it will come through to allow us to upload it at a later stage.

We trust that you will find this in order.

Yours faithfully,

Colin P Namene
