

APPENDIX A: NEWSPAPER NOTICES

CALL FOR PUBLIC PARTICIPATION/COMMENTS

ENVIRONMENTAL IMPACT ASSESSMENT TO OBTAIN AN ENVIRONMENTAL CLEARANCE TO CONSTRUCT AND OPERATE A BULK LIQUID FUEL STORAGE AND HANDLING FACILITY ON ERF 1582, WALVIS BAY, ERONGO REGION

Green Earth Environmental Consultants have been appointed to attend to and complete an Environmental Impact Assessment and Environmental Management Plan (EMP) to obtain an Environmental Clearance Certificate as per the requirements of the Environmental Management Act (No. 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 in GG 4878 of 6 February 2012) to construct and operate a bulk liquid fuel storage and handling facility on Erf 1582, Walvis Bay, Erongo Region. **Name of proponent:** Walvis Fuel Storage and Property Investment Pty (Ltd)

Project location and description: Erf 1582 is located on the corner of 18th Road and Ovenstone Street in the Walvis Bay industrial area. The Erf is 24 570m² in extent and zoned 'industrial'. It is the intention of the Proponent to construct and operate a bulk liquid fuel storage and handling facility on Erf 1582, Walvis Bay, Erongo Region. The capacity of the storage facilities intended on the site is 30,000m³ Automotive Diesel Oil (ADO) stored in 3 x 10,000m³ vertical steel tanks, 20,000m³ 95 octane Unleaded Petrol (95ULP) stored in 2 x 10,000m³ vertical steel tanks and 10,000m³ Aviation fuel (Jet-A1) stored in a 10,000m³ Aviation vertical steel tank.

The products will be received by sea from the new jetty via the pipeline to the Piggings and Metering Station 1 at the National Oil Storage Facility (NOSF) from where 3 new underground pipelines (routed inside the rail reserve) will transfer the products to the proposed new Terminal. Dispatching of the fuel products will be by both the 2 x 6 dual rail loading bays and the 5 x road loading bays. Provision will be made for receiving small amounts (cocktail) of fuel by road should it be required. The Terminal will be fitted with a full stand-alone firefighting system, warehouse for storing oils, double storey office building, guard houses for security, security perimeter fence, area lighting and CCTV.

Interested and affected parties are hereby invited to register in terms of the assessment process to give input, comments, and opinions regarding the proposed project. **A public meeting will be held if enough public interest is shown. Registered I & APs will be notified of the date and venue of the public meeting.**

The last date for comments and/or registration is 10 January 2025. Contact details for registration and further information:

Subject: RE: Erf 1582 Walvis Bay: Bulk Liquid Fuel Storage and Handling Facility:
Request to register as I&AP

Hallo Johan

I trust that this email finds you well.

Please note that the Public Notification (Newspaper Notices and Registration of I & APs) and Sharing of information through the BID has been delayed on instruction of the Proponent due the delay in the registration of the legal entities (BIPA, VAT, etc.) as well due to the uncertainty of possible additional activates / facilities to be undertaken/constructed on site which had to be resolved by the shareholders.

We have been informed by the Proponent on 12/11/2024 that the outstanding issues have been resolved and that they will give us the instruction to proceed early next week whereafter we will commence with the public participation processes as per the requirements of the act.

Sorry for the inconvenience caused by this.

Regards

Charlie

Hi Charlie,

Thanks for your email and status update on the application. There is no urgency from my side and no inconvenience caused. The proposed development will fit in well with the surrounding environment which comprise of similar bulk storage tanks and industrial facilities.

I would be interested to receive the new public consultation notices/BID whenever available in due course.

Yours sincerely,
Johann

Erf 1582, Walvis Bay - BID.pdf

2 MB

Dear Sir / Madam

Green Earth Environmental Consultants are conducting an Environmental Impact Assessment to construct and operate a bulk liquid fuel storage and handling facility (terminal) on Erf 1582, Walvis Bay, Erongo Region. See attached a Background Information Document which provides information on the proposed project, the possible impacts on the receiving environment and the environmental assessment process to be followed.

Should you have any questions regarding the project, please contact **Green Earth Environmental Consultants** at the contact details provided on **Page 1** of this document. The closing date for any questions, comments, inputs or information is 10 February 2025.

Kind regards

Carlen
