### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Managing Director  
Seaflower Pelagic Processing (Pty) Ltd  
P O Box 658  
Walvis Bay

Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED CONSTRUCTION, COMMISSIONING AND OPERATIONS OF THE SEAFLOWER FISH FACTORY, WALVIS BAY, ERONGO REGION**

Environmental Impact Assessment Report and Environmental Management Plan submitted are sufficient as these have made adequate provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Seaflower Pelagic Processing (Pty) Ltd and his/her consultant.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER  
Office of the  
Environmental Commissioner
