Dear Mr. Mufeti

**RE:APPLICATION FOR RENEWAL OF ENVIRONMENTAL CLEARANCE CERTIFICATES FOR
X11 ENGEN NAMIBIA SERVICE STATIONS AS WELL AS THE TRANSFER OF X4 SITES TO
VIVO ENERGY NAMIBIA LIMITED**

Ecolab Environmental cc has been appointed by Engen Namibia (Pty) Ltd to carry out an environmental management plans for its existing service stations in Eastern and Western Namibia, and to transfer a selected number of ECC's to Vivo Energy Namibia Limited as enumerated in appendix A.

Engen Namibia (Pty) Ltd and Vivo Energy Namibia Limited (Project Proponents), are distinguished entities in the downstream petroleum sector, specializing in the marketing and distribution of refined petroleum products through a network of strategically placed retail service stations all over Namibia.

In-line with Environmental Impact Assessment Regulations (2011) of the Environmental Management Act (2007), applications for Environmental Clearance Certificate renewals are to be carried out every 3 years. Please find hereto attached, reviewed Environmental Management Plans and accompanying documents as applications for Environmental Clearance Certificate renewals for the x11 Sites of Engen Namibia and transfer of x4 sites to Vivo Energy Namibia Limited, as enumerated in Appendix A hereto attached.

Yours Sincerely

A handwritten signature in dark ink, appearing to read 'Attarves', is written over a horizontal line.

Dear Valued Customer

SUBJECT: COMBINATION OF ENGEN AND VIVO ENERGY TO CREATE A PAN-AFRICAN ENERGY CHAMPION

I am writing to inform you of a significant development concerning Engen, your trusted provider of high-quality products and services.

I am pleased to announce that Vivo Energy, a subsidiary of Vitol, has successfully completed the purchase of PETRONAS' 74% shareholding in Engen Limited.

Completion of this transaction marks an exciting new chapter for Engen, as the combination of the Engen and Vivo Energy businesses creates one of Africa's largest energy companies, and further solidifies Engen's commitment to safely deliver high-quality products and exceptional customer service.

Vivo Energy has a history of investing to grow businesses and this transaction is a tremendous opportunity to refocus Engen for future success in the interest of all stakeholders.

As a valued customer of Engen, we understand the importance of reliability and consistency in our supply of products for your operations. I want to personally assure you that the combination of the Engen and Vivo Energy businesses will not in any way disrupt our ability to supply you safely and securely with the quality products you have come to expect from us.

Engen remains dedicated to upholding the highest standards of safety, efficiency, and professionalism in all our operations. Our team is also fully committed to maintaining our seamless provision of services to meet your energy needs.

As a company, Engen deeply appreciates the trust and confidence you have placed in us, and we look forward to continuing our partnership with you. Should you have any questions or require further information regarding the combination of the Engen and Vivo Energy businesses or our services, please do not hesitate to communicate with your point of contact at Engen.

Thank you for your continued support, and we eagerly anticipate the opportunity to serve you better in the future.

Yours sincerely

Seelan Naidoo
Managing Director & CEO
