Slammed...Fifa is facing backlash for awarding hosting rights for the 2034 Fifa men's World Cup to Saudi Arabia. Photo: Gallo Images

## Australia players' union slams Fifa over 2034 Saudi World Cup

Australia's professional soccer player's union has condemned the awarding of the 2034 World Cup to Saudi Arabia, saying significant human rights risks are attached to the tournament, while questioning Fifa's ability to prevent harm from occurring. Fifa officially awarded the World Cup to the kingdom on Wednesday, with the sole bid for the tournament confirmed by acclamation.

Professional Footballers Australia boss Beau Busch said it was crucial for the international soccer community to hold Fifa accountable for the decision. "The significant human rights risks linked to this tournament are well-documented," Busch said in a statement emailed to Reuters yesterday.

"By securing hosting rights to the global game's most prestigious event, Saudi Arabia and Fifa must ensure the rights of everyone affected by the 2034 Men's World Cup are upheld and safeguarded. "However, Fifa's ongoing

governance failures and lack of accountability to its own human rights' commitments leave no assurance that harm can or will be prevented."

The Saudi government communications office and Fifa did not immediately respond to requests for comment yesterday.

Saudi Arabia denies accusations of human rights abuses, and says it protects its national security through its laws.

Fifa's decision has drawn criticism from an array of organisations, including migrant workers groups, trade unions and LGBT activists concerned about the kingdom's human rights record.

Saudi Arabia confirmed its bid last year within minutes of Fifa announcing 2034 would be hosted in Asia or Oceania.

Fifa set a deadline of less than four weeks for nations to lodge rival bids.

Though the Asian Football Confederation threw its support behind Saudi Arabia, Football Australia (FA) explored making

a joint bid with Indonesia, before deciding against it.

Australia's players were critical of 2022 World Cup hosts Qatar, with the men's team releasing a video calling out the Gulf state's record on human rights and same-sex relationships.

Football Australia backed the players' stance on Qatar, and later objected to Saudi Arabian sponsorship of the 2023 Women's World Cup following reports the kingdom's government tourism agency would be a major sponsor of the tournament.

However, FA joined the majority of international football associations in showing support for the kingdom's 2034 bid. "Saudi Arabia has demonstrated a strong commitment to hosting a world-class tournament, and we remain confident in Fifa's frameworks and the Fifa World Cup's capacity for positive change," FA said in a statement to Reuters.

## Guardiola 'questioning self' after latest City loss at Juve

Pep Guardiola admitted that he is questioning himself as his Manchester City team slumped to yet another defeat at Juventus in the Champions League on Wednesday.

City fell 2-0 in a freezing Turin, their seventh defeat in 10 matches in all competitions putting their qualification for the last 16 at risk.

Asked by reporters whether he was questioning his management, Guardiola replied: "Yeah, of course."

"Of course, I question

myself in the good moments and the bad moments," said Guardiola.

"I was stable in the good moments and I'm stable in the bad moments... My biggest challenge is when they give me the opportunity to be a manager and get results to continue to work."

"If I would miss the big challenge in the first season, the second season, I wouldn't be here." English champions City are just one point above the bottom 12 places which

bring elimination from the Champions League.

Five points separate City from the top eight places and automatic qualification for the last 16, with matches against Paris Saint-Germain and Club Brugge remaining in their league phase campaign.

City face local rivals Manchester United on Sunday in the Premier League, where Guardiola's team trail leaders Liverpool by eight points.

**Subject:** Public consultation meeting invitation for the Environmental Impact Assessment on the proposed Exclusive Prospecting Licenses (EPL) No. 9625  
**Attachments:** BID \_EPL 9625.pdf

Dear Esteemed Interested & Affected Party,

Stopmen Investments CC (The Proponent) proposes to undertake prospecting and exploration activities on Exclusive Prospecting License (EPL) No. 9625 located 18km north-east of Otjosundu, Otjozondjupa Region.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. The Proponent, therefore, appointed Excel Dynamic Solutions (Pty) Ltd, an independent Environmental Consultants firm to conduct the required Environmental Scoping Assessment (ESA) process and apply for the ECC.

Furthermore, Sections 21 to 24 of the EIA Regulations require that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested & Affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication.

Please find the attached Background Information Document (BID) the proposed prospecting and exploration activities and the site notice as a public consultation invitation.

The EPL cover farms: Okarutuo No.394, Bosrand No.395 and Uitkoms No.514

We would greatly appreciate if the landowners could kindly provide us with their names, farm names, and contact details so that we can register them as Interested and Affected Parties (I&APs).

We are currently working to finalize the date for the stakeholders engagement meeting and will provide further details once this information is available.

Kind regards,

**Excel Dynamic Solutions (Pty) Ltd**

Dear Vistolina

I neglected to tell you that one of the owners of Brunnental, Mr Lukas Malakia, passed away last year. It seems the Labuschagnes of Kilo40 Trading want to buy the farm. You may need to find out who the executor of the estate is.

Good day,

Regarding the environmental study at EPL 9625, I want to have more information. The EPL border is near my house +/- 500 m .

So there are some aspects to look at when they want to start **Prospecting** or do **Exploration** works or **Mining**.

I hope to hear from you soon.
