OFFICE OF THE ENVIRONMENTAL COMMISSIONER

P. O Box 4676
Walvis Bay
Namibia

Dear Sir,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR PROPOSED EXPLORATION ACTIVITIES FOR GRANITE AND MARABLE ON MINING CLAIM 68032, ERONGO REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as they made provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations of environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Mr. G.J. Du Preez and his consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue (18 December 2015) unless withdrawn by this office.

Yours sincerely,

MINISTRY OF ENVIRONMENT AND TOURISM P/Bag 13306 Windhoek, Namibia 2016 09- 22 Office of the Environmental Commissioner
