## CONDITIONS APPLICABLE TO RETAIL LICENCE

### General conditions

1. *The retail licence-holder must at all times comply with the Petroleum Products and Energy Act and Petroleum Products Regulations (2000) and all other applicable laws, including laws relating to labour, safety, hazardous substances, security, health and environment.*
2. *The retail licence-holder must inform the Minister as soon as practicable of any dangerous situation arising from the conduct of activities authorised under the retail licence including the steps taken or proposed to be taken by the licenceholder to rectify such situation or to eliminate or minimise the danger arising from such situation.*
3. *The retail licence-holder must keep such records and must submit such information to the Minister as required by or under the Petroleum Products Regulations (2000).*
4. *The retail licence-holder must comply with all provisions of the Petroleum Products Regulations (2000), relating to petroleum products spills.*
5. *The retail licence-holder may not abandon the licensed premises otherwise than in accordance with the Petroleum Products Regulations (2000).*
6. *Petroleum products sold to consumers must comply with approved specifications made applicable under the Petroleum Products Regulations (2000).*
7. *The retail licence-holder must at all times hold such permits, licences and certificates relating to the sale of petroleum products and other services provided at the retail outlet, as may be required by any other law.*
8. *The retail licence-holder may not obtain fuel by means of wholesale sale for purposes of retail sale from any person other than a wholesale licence-holder.*
