Dear Mr Henning

RE: REMOVAL OF ROCKS, SAND AND GRAVEL FROM THE WATER COURSE FOR SALE OR COMMERCIAL EXPLOITATION, SWAKOP RIVER, OKAHANDJA DISTRICT, OTJOZONDJUPA REGION

1. Kindly be informed that the Water Resources Management Act 11 of 2013 and Water Resources Management Regulations commenced on 29 August 2023.
2. Section 132 (6) of Act 11 of 2013 states that a person who, on the commencement of this Act, owns or uses or is in control of any dam, impoundment or borehole or carries on an activity which is required by this Act to be licensed, registered or authorized otherwise and in respect of which, before the commencement of this Act, a permit or other authorization was not required in terms of a repealed law, may continue to use or control such dam or borehole or to carry on such activity without the required licence, registration or authorization, but that person must, in accordance with this Act, apply to the Minister for the issue of the appropriate licence, registration certificate or other authorization under this Act, not later than 18 months after the date of commencement of this Act.
3. Based on the above, you may continue with the present operations, but must apply for a licence for the removal of rocks, sand and gravel in terms of Section 101 of Act 11 of 2013 and Regulation 112 -123 of the Water Resources Management Act.
4. This application must be submitted before the expiry of 18 months from the commencement date of 29 August 2023.

Yours sincerely

Ndiyakupi Nghituwamata (Ms)
