The Chief Executive Officer

Dear D. Jackson

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE EXISTING ABSTRACTION OF GROUNDWATER FROM WW204432, WW204433, WW204434, AND WW204435 BOREHOLES FOR INDUSTRIAL PURPOSES ON ERF NO. 144 IN LAFRENZ INDUSTRIAL AREA, WINDHOEK TOWN AND TOWNLANDS NO. 31, WINDHOEK, KHOMAS REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout the process.

This Ministry reserves the right to attach legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to proceed. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Coca Cola Namibia Bottling Company (Pty) Ltd and his/her consultant.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
