PUBLIC CONSULTATION ACTIVITIES – PROOF OF CONSULTATION

REGISTERED INTERESTED AND AFFECTED PARTIES (I&APS)

An initial list of both apparent and potential Interested and Affected Parties (I&APs) was compiled. As the public participation process progressed, this list was regularly updated. A comprehensive record of the identified and registered I&APs. The pre-identified I&APs were informed about the project's activities through email, advertisements in local newspapers, electronic correspondence, and the placement of written notices at key locations within Onyuulaye and Omuthiya.

Amongst key stakeholders identified and registered for this project were:

- **Central or national government:** Ministry of Environment, Forestry & Tourism, Ministry of Works and Transport (MWT), Ministry of Agriculture, Fisheries, Water and Land Reform (MAFWLR), Ministry of Urban and Rural Development (MURD), and Ministry of Health and Social Services (MHSS).
- **Regional government:** Oshikoto Regional Council.
- **Members of the public** (refer to the stakeholder list attached in **Appendix A1**).

PUBLIC CONSULTATION ACTIVITIES

To ensure that the I&APs were timely informed of the proposed project's activities, the following efforts were actioned:

- A preliminary list of pre-identified relevant stakeholders was compiled
- An email notification was shared with all identified stakeholders on the 12th of May 2025, announcing the commencement of the EIA process and as an invitation to the public to register as I&AP for the project and provide inputs regarding the proposed project. The BID, comments register, and EIA site notice were attached to this email for reference. A copy of this email is attached in **Appendix A2**.
- Official public adverts were issued to announce the initiation of the Environmental Assessment process, inviting the public to register as Interested and Affected Parties (I&APs) and to participate in the public engagement meeting, these were placed in the *Namibian Sun*, *the Rebublikein* and *Allgemeine Zeitung newspapers on the 14th and the 21st of May 2025. Please refer to* **Appendix A3**.
- Public site notices were placed at various public locations in Onyuulaye, Onankali, Okankolo, and Omuthiya between the 15th and 23rd of May 2025 to raise public awareness of the ongoing EIA process for this project – **Appendix A4.**
- In addition, provision was made for the BID to be distributed on request to any I&APs during the public participation period, which ran until the 13th of June 2025.
- A stakeholder/community consultation meeting was held on the 23rd of May 2025 in Onyuulaye (Figure 1). The meeting minutes are also contained in **Appendix A5**.

Figure 1. Some photos from the consultation meeting in progress on the 23rd of May 2025

PUBLIC SITE NOTICES

The public site notices were put up at the following locations (Please refer to **Appendix A4**).

- Public notice board at the Oshikoto Regional Council headquarters, Omuthiya.
- Public notice board at Onyuulaye Clinic.
- Public notice board at the Oshikoto Regional Council and the Okankolo Constituency Office.
- Public notice board at Omuthiya District Hospital.
- Public notice board at Omuthiya Okaale SPAR.
- Public notice board at Omuthiya Town Council.
- Public notice board at Onankali Clinic
- Onankali Rural Water Supply Regional Officer.

PUBLIC CONSULTATION FEEDBACK: KEY ISSUES AND CONCERNS RAISED

No objections were raised or received from the I&APs concerning the project during the various consultations/ engagements, except for minimal input which was provided by a few I&APs as outlined below. The minutes of the public consultation are also attached as Appendix A5. Some inputs and key issues raised during the ESA consultation meeting are summarized below:

Inputs

- A request was made to have monthly progress meetings by the councillor's office about the project to keep the community up to date with the project's progression.
- A suggestion was made for all skilled and semi-skilled members of the community to submit their work testimonials and CVs, plus specifications of key skills, to the Councillor's office for consideration in upcoming work opportunities.
- A request was generally made by the community to implement the project promptly and without delay
- The community requested a transparent mode of communicating the commencement of the project to ensure that they do not miss out on employment or procurement opportunities. The councillor's office will hold a public notification meeting and announce on the radio to notify the community.

Key issues

- There was a concern raised on whether homesteads in the surroundings of the dumpsite or the oxidation ponds will need to be relocated, or fences shifted, and whether any compensation will be given for any pipelines running through someone's field.
- A representative from the Oshikoto Regional Council assured that relocation is highly unlikely as both sites are in unoccupied open field areas. Provision has been made in the project budget for any compensation under circumstances where fences need to be shifted. No compensation will be given if pipelines are running through someone's field, as this is a community development project, but the Oshikoto Regional Council will take the necessary corrective measures to leave any earthworks done on someone's field fully rectified.
- In case of the proposed access roads to the dumpsite or the oxidation ponds passing through someone's field, there will be compensation. The routes of these roads will be finalised upon issuance of the ECC, and all affected parties will be consulted soon thereafter.

Despite the issues raised above, there were no objections or major issues from the stakeholders or interested & affected parties (I&APs) that may hinder or halt the proposed municipal infrastructures in the settlement.

PUBLIC NOTICE: NEW APPLICATION for Environmental Clearance Certificate for the Construction, Installation and Operation of various proposed Municipal Infrastructure in Onyuulaye Settlement, Oshikoto Region

Inbox ×

OMAVI | Etuna Kanime Mon 12 May, 18:58

to s[redacted]ute@gmail.com, [redacted]@oshikotorc.gov.na, p[redacted]@oshikotorc.gov.na, han[redacted]@gmail.com, lospe[redacted]a@gmail.com, o[redacted]@oshikotorc.gov.na

Dear Interested and Affected Parties (I&AP)

We trust this email finds you well

You are receiving this email because you have been identified as a key stakeholder/ Interested and Affected Party (I&AP) for the above-mentioned project.

The Oshikoto Regional Council (herein referred to as The Proponent) intends to Apply for a new Environmental Clearance Certificate (ECC) for the proposed construction, installation and operation of various new municipal infrastructure and services located in the Onyuulae Settlement.

The Proponent has appointed OMAVI Geotechnical and Environmental Services, herein referred to as OMAVI (https://omavi.com.na/), to lead the process of Applying for a new ECC which would then enable it to continue with designs and subsequent construction + operation of these various public infrastructure.

The Public Participation/ Stakeholder process is a vital component of the process of applying for an ECC and for this reason, you have been identified as a key Interested & Affected Party (I&AP) for this project. We would therefore like to get your inputs and suggestions regarding this project to ensure that all pertinent issues which could potentially arise from the proposed activities have been considered and accounted for in the Environmental Impact Assessment.

The project Background Information Document (BID), project site notice and an I&AP and comments register form are attached here. Please review the BID and/ or the Site Notice, and register any comments or suggestions or inputs you may have on the comments register form and send back to OMAVI's office before close of business on **13 June 2025** Please note that the BID is a non-technical document which provides an overview of the project in terms of the planned activities and project location and details.

Additionally, this email serves to invite you to a Public Participation/ Stakeholder Engagement meeting which is planned to take place in Onyuulae settlement at 11h00 on 23rd May 2025.

In light of the above we look forward to receiving any written comments, questions, concerns or inputs related to this project.

Please note that such inputs must be submitted in writing to the contact details provided below before the end of business day on **13 June 2025**.

Contact person: Etuna Kanime

SUBSTITUTED SERVICE IN THE HIGH COURT OF NAMIBIA
(Main Division, Windhoek)
Case Number: HC-MD-CIV-ACT-MAT-2024/03827
In the matter between:
ELSIE DRIEKA GORESES (BORN SWARTZ) PLAINTIFF
and
RINGO BENETTO GORESEB DEFENDANT
TO RINGO BENETTO GORESEB, an adult male formerly residing at Erf No.288 Adna Street, Orwetoveni Location, Otjiwarongo, Republic of Namibia but whose present whereabouts are unknown. Take notice that by summons issued out of this court, you have been called on to give notice within 10 days after publication of this notice to the registrar and to the Plaintiff's legal practitioner of your intention to defend (if any) in an action wherein plaintiff claims:
1. (a)An Order for the Restitution of Conjugal Rights failing compliance therewith;
(b) A Final Order of Divorce.
2. An order that the custody and control of the minor children be awarded to the Plaintiff subject to the Defendant's right of reasonable access.
3. Division of the joint estate.
4. Further and / or Alternative Relief.
TAKE FURTHER NOTICE that in the event of you defending the action, you are to deliver a notice of intention to defend which must therein give your full residential or business address, and must also appoint an address, not being a post office box or poste restante, for service on you of all documents in this action within a flexible radius from the office of the registrar or if you elect to be served by electronic means indicate your electronic address and in that case service thereof at the address so given is valid and effectual, except where by any order or practice of the court personal service is required.
TAKE NOTICE FURTHER that if you fail to give such notice, judgment may be granted against you without further reference to you.
TAKE FURTHER NOTICE that simultaneously with the delivery of the notice of intention of defend, the defendant must deliver the return in terms of rule 6(4), which contains the following information about the defendant:"
(a) in the case of a natural person, his or her full names, identity number where available and if a Namibian citizen or any other person ordinarily resident in Namibia, his or her physical address and where available, his or her telephone or cellular phone number or both, workplace telephone number, facsimile number and personal or workplace email address or both;
(b) in the case of a close corporation, its name and registration number, postal address and registered office referred to in section 25 of the Close Corporations Act 1988 (Act No. 26 of 1988) and the particulars referred to in paragraph (a) of at least one member or officer as defined in that Act and the particulars referred to in paragraph (a) of its accounting officer appointed in terms of section 59 of that Act;
(c) in the case of a company, its name and registered number, postal address and registered office referred to in section 178 of the Companies Act 2004 (Act No. 28 of 2004) and the particulars referred to in paragraph (a) of at least one director and the secretary referred to in section 223 of that Act including all particulars referred to in section 223(1) of that Act and in case of the officer or secretary of any other body corporate the particulars referred to in paragraph (b)of section 223(1) of that Act;(d) in the case of any other juristic person, the particulars referred to in paragraph(a) of at least one officer or secretary or a person, by whatever name called,running its affairs; and (e) in the case of a trust which is duly authorised to litigate, the particulars referred to in paragraph (a) of all trustees and a reference number given by the master to the trust deed registered with the master."
The particulars so provided remain binding on the party to which they relate and may be used by the court or by the other party to effect service of any notice or document on such party or to give notice to such party.
TAKE FURTHER NOTICE that as soon as the managing judge has given notice of a case planning conference in terms of rule 23(1), you as defendant will be required to meet with the plaintiff in order to agree a case plan in terms of rule 23(3) for submission to the managing judge for the exchange of pleadings and the time within which you will deliver your plea and counterclaim if any will be determined by the court having regard to such plan and if you fail to cooperate in submitting such a plan, the court will determine the time within which you must deliver your plea and counterclaim, if any, and you as defendant must comply with such order.

DM0202500421082

PUBLIC NOTICE FOR: APPLICATION OF NEW ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED CONSTRUCTION, INSTALLATION AND OPERATION OF MUNICIPAL INFRASTRUCTURE IN ONYUULAYE SETTLEMENT, OSHIKOTO REGION – NAMIBIA

Under the Environmental Management Act, 2007 (Act No. 7 of 2007) & the EIA Regulations 30 of 2012, the construction of waste management facilities and associated activities are a listed activity which may not be undertaken without a valid Environmental Clearance Certificate (ECC). Thus, **OMAVI Geotechnical & Environmental Services** has been appointed to undertake an Environmental Scoping Assessment (ESA) and prepare an ESA Report and Environmental Management Plan (EMP) to support the application for ECC of the proposed project.

Proponent:
Oshikoto Regional Council

Site Locality: The proposed construction of municipal infrastructure and services will take place in Onyuulaye Settlement, with the oxidation ponds planned about 2km northwest of the Settlement's Remainder of Farm Onyuulaye Portion 1 boundary. Onyuulaye Settlement is in the Okankolo Constituency, about 40km north of Omuthiya Town in the Oshikoto Region.

In terms of the requirements of the EIA Regulations, all Interested & Affected Parties (I&APs) must be provided with opportunities to participate in the ESA process. I&APs are therefore, hereby invited to register & submit written comments/ concerns/ suggestions by close of business on Friday, 13 June 2025, to the contact information provided below. A Background Information Document (BID) is available to I&APs upon registration. Further communications regarding the ESA process and the planned public consultation meeting for this project will only be made with registered I&APs.

NOTICE Take notice that PLAN AFRICA CONSULTING CC, TOWN AND REGIONAL PLANNERS,on behalf of the owner of the respective portion, intends to apply to the Municipality of Gobabis for:
• EXTENSION OF THE GOBABIS LOCAL AUTHORITY BOUNDARY TO INCLUDE PORTION 1 OF THE FARM OKATJOKOPO NO. 315 IN TERMS OF SECTION 4(1) (b) OF THE LOCAL AUTHORITIES ACT, ACT 23 OF 1992, AFTER CONSENT FOR THE SUBDIVISION OF THE FARM OKATJOKOPO NO. 315 INTO PORTION 1 AND REMAINDER WAS GRANTED BY THE MINISTRY OF AGRICULTURE, FISHERIES, WATER AND LAND REFORM
• ZONING OF PORTION 1 OF THE FARM OKATJOKOPO NO. 315 TO AGRICULTURE
*• CONSENT TO CONSTRUCT MORE THAN 1 DWELLING HOUSE ON PORTION 1 OF THE FARM OKATJOKOPO NO.315
Farm Okatjokopo No.315 is located east of Namibia in close proximity 5 km southwest of Gobabis and is 5086.1068 hectares in extent. The existing land use is agriculture, predominantly stock farming. The applicant wishes to subdivide Farm Okatjokopo into Portion 1 and Remainder and further wants the Portion to be zoned "agriculture" in order to accommodate the intended land use. The intention is to construct at least 20 dwelling house which represents a density of 1 dwelling unit per 22,5 ha in terms of Section 8.12 of the Gobabis Town Planning Scheme.
Further take notice that the locality plan of the erf lies for inspection on the town planning notice board at the Municipality of Gobabis and at Plan Africa Consulting CC, No 8 Delius Street, Windhoek West.
Further take notice that any person objecting to the proposed use of the land asset out above may lodge such objection together with the grounds thereof, with the Municipality of Gobabis and with the applicant (Plan Africa Consulting CC) in writing within 14 days of the last publication of this notice (final date for objections is 13th June 2025).

PUBLIC NOTICE FOR: APPLICATION OF NEW ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED CONSTRUCTION, INSTALLATION AND OPERATION OF MUNICIPAL INFRASTRUCTURE IN ONYUULAYE SETTLEMENT, OSHIKOTO REGION – NAMIBIA

Under the Environmental Management Act, 2007 (Act No. 7 of 2007) & the EIA Regulations 30 of 2012, the construction of waste management facilities and associated activities are a listed activity which may not be undertaken without a valid Environmental Clearance Certificate (ECC). Thus, **OMAVI Geotechnical & Environmental Services** has been appointed to undertake an Environmental Scoping Assessment (ESA) and prepare an ESA Report and Environmental Management Plan (EMP) to support the application for ECC of the proposed project.

Proponent:
Oshikoto Regional Council

Site Locality: The proposed construction of municipal infrastructure and services will take place in Onyuulaye Settlement, with the oxidation ponds planned about 2km northwest of the Settlement's Remainder of Farm Onyuulaye Portion 1 boundary. Onyuulaye Settlement is in the Okankolo Constituency, about 40km north of Omuthiya Town in the Oshikoto Region.

In terms of the requirements of the EIA Regulations, all Interested & Affected Parties (I&APs) must be provided with opportunities to participate in the ESA process. I&APs are therefore, hereby invited to register & submit written comments/ concerns/ suggestions by close of business on Friday, 13 June 2025, to the contact information provided below. A Background Information Document (BID) is available to I&APs upon registration. Further communications regarding the ESA process and the planned public consultation meeting for this project will only be made with registered I&APs.

MINUTES OF STAKEHOLDER AND COMMUNITY CONSULTATION MEETING

Stakeholder and Community Consultation Meeting for the Proposed Development of Municipal Infrastructure in Onyuulaye Settlement, Oshikoto Region

Date & Time: Friday, 23 May 2025 at 12:00 pm

Venue: Onyuulaye Communiy Hall in Onyuulaye Settlement

Facilitation by: Mr Etuna Kanime (Environmental Assessment Practitioner from OMAVI Consultants)

Meeting chaired by: Honourable (Hon.) Hans Nambodi, (Councillor of the Okankolo Constituency)

- Welcoming was done by Mr. Etuna Kanime, and introductions were followed by key stakeholders in attendance. The traditional leadership of the area was represented by Mr. David Niipere.
- The meeting was generally well attended by members of the Onyuulae Settlement and nearby villages, including people from Onamkuku village, where the oxidation ponds will be constructed.
- Mr Etuna briefly gave an overview of the agenda of the meeting and presented the proposed project and its associated activities based on the background information document (BID).
- The presentation began with the intention of the Oshikoto Regional Council (Proponent) to develop (construct, install, and operate) municipal infrastructure in Onyuulaye Settlement. The proposed municipal infrastructure development will be carried out in Onyuulaye Settlement and will cover water reticulation services, sewer reticulation services, wastewater treatment (oxidation ponds), electrical Infrastructure, roads, and stormwater, including access road to oxidation ponds, and solid waste management. The oxidation ponds (under Phase 1A of the development) are planned about 2km northwest of the Settlement's Remainder of Farm Onyuulaye Portion 1 boundary. Onyuulaye Settlement falls within the Okankolo Constituency, about 40km north of Omuthiya Town in the Oshikoto Region.
- After the presentation, the Environmental Assessment Practitioner provided meeting attendees with an open floor to ask questions, express concerns or issues, as well as provide suggestions to the proposed project.

The following questions and concerns were raised and discussed in the ESA consultation meeting:

Inputs

- A request was made to have monthly progress meetings by the councillor's office about the project to keep the community up to date with the project's progression.
- A suggestion was made for all skilled and semi-skilled members of the community to submit their work testimonials and CVs, plus specifications of key skills, to the Councillor's office for consideration in upcoming work opportunities.
- A request was generally made by the community to implement the project promptly and without delay
- The community requested a transparent mode of communicating the commencement of the project to ensure that they do not miss out on employment or procurement opportunities. The councillor's office will hold a public notification meeting and announce on the radio to notify the community.

Key issues

- There was a concern raised on whether homesteads in the surroundings of the dumpsite or the oxidation ponds will need to be relocated, or fences shifted, and whether any compensation will be given for any pipelines running through someone's field.
- A representative from the Oshikoto Regional Council assured that relocation is highly unlikely as both sites are in unoccupied open field areas. Provision has been made in the project budget for any compensation under circumstances where fences need to be shifted. No compensation will be given if pipelines are running through someone's field, as this is a community development project, but the Oshikoto Regional Council will take the necessary corrective measures to leave any earthworks done on someone's field fully rectified.

- In case of the proposed access roads to the dumpsite or the oxidation ponds passing through someone's field, there will be compensation. The routes of these roads will be finalized upon issuance of the ECC, and all affected parties will be consulted soon thereafter.

overall, the proposed project was well received by the community, but on condition that preference is given to members of the community for any labour-based work as well as operator work (e.g., truck drivers and operators of earth-moving machinery).

Despite the few issues raised above, there were no objections or major issues from the stakeholders or interested & affected parties (I&APs) that may hinder or halt the proposed municipal infrastructures in the settlement.

After the questions and discussions, Mr Kanime closed off the meeting and thanked everyone for attending.

Pictures from the consultation meeting are attached hereto as Annexure 1, and the attendance register is also attached to the meeting minutes as Annexure 2.
