Subject: Authorization to install a network tower at Havana High School

Dear sir/madam

We hereby grant permission to MTC Namibia to proceed with the installation of a telecommunications tower on the premises of Havana High School, located in Havana, Windhoek.

This initiative is highly welcomed, as it will significantly improve network coverage in the area a long standing challenge that has affected both the school and the surrounding community. The enhanced connectivity will benefit educational delivery, administrative communication and community access to digital services.

We look forward to a successful implementation of the project and appreciate MTC Namibia's efforts in contributing to the development and upliftment of underserved areas. Should you require any additional documentation or support, please do not hesitate to contact us.

Yours in Education

Mr L.S Mweti

THE PRINCIPAL

Mr Eklas Shanyenge

SCHOOL BOARD CHAIRPERSON
