Subject: Request for Approval to Construct a Network Tower at Rebeca Kambundu Primary School

The Directorate of Education, Arts, and Culture in Kavango East Region acknowledges receipt of your request to erect a network tower at Rebeca Kambundu Primary School as part of MTC Namibia's telecommunications infrastructure expansion. After due consideration, we are pleased to grant approval for the project to proceed as planned.

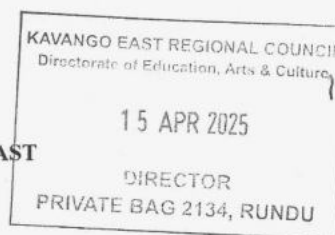

We recognize the vital role that improved telecommunications infrastructure plays in enhancing connectivity, supporting education, and fostering community development. The installation of the network tower at Rebeca Kambundu Primary School will undoubtedly contribute to improved communication services in the area, benefiting both the school and the surrounding community.

Furthermore, we sincerely appreciate MTC Namibia's generous commitment to contributing N\$1,500 per month to the school. This gesture will go a long way in supporting community development and improving educational resources for learners.

We look forward to continued collaboration and appreciate MTC Namibia's dedication to social responsibility and development in our region.

Yours Sincerely,
