Dear Sir,

Environmental Scoping Assessment and Environmental Management Plan for Irrigation-Based Agricultural Activities and the Environmental Release of Genetically Modified Maize on the Farm Emilienhof FMB/00588, Oshikoto Region

Our telephone discussion today refers. In terms of the National Environmental Management Act, No 7 of 2007 (Section 21 to 24 of Government Notice 4878 Regulation No. 30 of 2011), all interested and affected parties as well as commenting authorities have the opportunity to comment on the environmental assessment which is being conducted for the above referenced project. Attached herewith is a notification letter regarding the activities. Once the environmental assessment's scoping report is completed, it will be made available to all registered interested and or affected parties.

Adjacent landowners are hereby specifically notified about the project. To ensure we have the correct contact details, kindly please acknowledge receipt of this email. Kindly please also let the project team know if you do not want to receive any further information regarding the project.

Should you require any additional information, please contact Geo Pollution Technologies at telephone 061-257411 or Johann Strauss as per contact details below.

Regards

Goeiemôre Mnr Grobler,

Skuus vir die engels! Maar ja ons moet dit so doen vir die staatsrekords. Hieronder en aangeheg is die dokumentasie rondom die impakstudie wat ons vir die van Drutens doen.

Groetnis!

Determination/Eploration of Groundwater on Farm Ombanje FMB/00787

P/Block

eni@hangala.com; Pierre Botha

Cc johann@thenamib.com

Dear Mr Hangala,

As mentioned today, Pierre Botha from our offices deals with groundwater and the probability of occurrence thereof on farms. I have Cc'd him into the mail. He is currently in the field and will have intermittent signal until the 24th of June.

Sincerely,

--

Hi Mnr Grobler,

Hier is die kennisgewing van die Omgewingsimpakstudie wat die van Drutens gedoen het. Jammer, alles is maar in Engels. Die link in blou hieronder sal u neem na die studie - indien u dit sou wou besigtig vir interssantheid. Die dokument het byvoorbeeld ook data van die omgewing etc.

Groetnis,

Quzette
