Subject: Public consultation meeting invitation for the Environmental Impact Assessment on the proposed Exclusive Prospecting Licenses (EPL) No. 10023

Dear Esteemed Interested & Affected Party,

Bamba Mining Namibia (Pty) Ltd (The Proponent) proposes to undertake prospecting and exploration activities on Exclusive Prospecting License (EPL) No. 10023 located 43km north-west of Otavi, Otjozondjupa Region.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. The Proponent, therefore, appointed Excel Dynamic Solutions (Pty) Ltd, an independent Environmental Consultants firm to conduct the required Environmental Scoping Assessment (ESA) process and apply for the ECC.

Furthermore, Sections 21 to 24 of the EIA Regulations require that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested & Affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication.

Please find the attached Background Information Document (BID) the proposed prospecting and exploration activities and the site notice as a public consultation invitation.

The EPL cover farms: Esther 442, Gelnhausen 443, Huttenhof 425, Dakota 424, Franken 440, Jalmshof 55, Soavis 333, Gross_ottlau 444, Thabis 441, Soavis West 448, Balgowan 445, Success 438, Glenwood 423, Maroela 1253, Strathmore 422, Karorogombe 2147, Streben 437, Derna 421, Luckhoff 420, Heuris 410, Eersteling 419, Goawuson 411 and Lou-May 414.

We would greatly appreciate if the landowners could kindly provide us with their names, farm names, and contact details so that we can register them as Interested and Affected Parties (I&APs).

We are currently working to finalize the date for the stakeholders engagement meeting and will provide further details once this information is available.

Kind regards,
