Dear Sir

**Re: Environmental Impact Assessment (EIA) Study for the Proposed Construction and Operation of Wind Resource Assessment (WRA) Meteorological Masts and Associated Activities in the Tsau //Khaeb National Park, //Kharas Region, Namibia - ECC Application No. APP-005972) - Copies of any representations, objections, and comments received in connection with the application or the scoping report**

On behalf of Serja Hydrogeo-Environmental Consultants CC (*Serja HGE Consultants*) in association with SRK Consulting South Africa (Pty) Ltd (*SRK Consulting*) as Independent Environmental Consultants, I, **hereby confirm that there have been no objections nor comments received during the EIA process** for Namibia Power Corporation (Pty) Ltd's Wind Resource Assessment (WRA) Meteorological Masts and Associated Activities in the Tsau //Khaeb National Park, //Kharas Region, Namibia.

There has been one request for registration as an I&AP and a Background Information Document (BID) – please refer to the email screenshot below. ***From experience, the I&AP email addresses and contact numbers have been blurred out to protect their information from potential scammers online, as this letter will be published on the ECC Portal.***

The EIA Background Information Document (BID) was shared with the I&APs (please refer to the email screenshot below) as well as the draft Scoping Report and EMP for their review on the 18<sup>th</sup> of August 2025. However. No comments were received from them.

Dear Mr. Delle Donne

Thank you for your email and request to be registered as I&AP. Kindly note that you have been added to the I&AP List, and the Scoping Report will be shared with you once it is ready.

Please find attached the BID for your perusal.

Kind regards  
Fredrika
