**Reference Pending ECC-document to be submitted for final grant of EPL 9302–  
( Eliphas Eden Nafimone Hashikutuva )**

Eliphas Eden Nafimone Hashikutuva was conditionally granted the EPL 9302 on 01/07/2024. And the EIA assessment studies commenced in January 2025.

Due to the lengthy process from advertisement to filed exercise . there has been some delay in submission of the report . One of the challenges due absent farm owners in the southern Namibia.

However we confirm that the EIA application was applied for on 27<sup>th</sup> of June 2025. Please find attached proof of application.

Sincerely
