Dear Esteemed stakeholder

This email serves to inform you that Excel Dynamic Solutions (Pty) Ltd (the consultant) has been appointed by **Tjipapi Investment CC** (the proponent) to act on their behalf in obtaining an Environmental Clearance Certificate (ECC) for the proposed mineral exploration activities on Exclusive Prospecting License (EPL) no. 9643, located about 25 km north-west of Otjimbingwe in the Karibib constituency, Erongo region. EPL No. 9643 overlies the Toanib South_Audawib west and the Otjimbingwe communal farms, as shown in the locality map in the Background Information Document Attached.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. Furthermore, Section 21 to 24 of the EIA Regulations requires that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested and affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation.

You have therefore been identified as a potential Interested & Affected Party for this proposed activity hence why you are receiving this communication.

The public consultation meeting scheduled as follows:

Date: 14 July 2025

Time: 09H00

Venue: Tsoaxudaman Traditional Authority Office, Otjimbingwe.

Excel Dynamic Solutions (Pty) Ltd consultants' team will require permission to access the farm as part of the Environmental and Heritage Assessment after the public consultation meeting.

Please assist our office in circulating the attached BID and site notice as meeting invitation with the stakeholders.

Thank you and kindest regards

Excel Dynamic Solutions (Pty) Ltd
