PROJECT NOTE

TO: MINISTRY OF ENVIRONMENT, FORESTRY & TOURISM

**Subject: RENEWAL APPLICATION APP-006155
ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED
OVERHEAD POWERLINE FOR TERASUN ENERGY (PTY) LTD NEAR
ARANDIS, ERONGO REGION**

MEFT REQUEST

Proof of written notice to the local authority council, regional council and traditional authority, in which the site or alternative site is situated; and consent obtained.

TeraSun Energy response:

We respectfully request the Ministry to note:

- That this is a renewal application of the existing Environmental Authorization ECC-APP3318;
- That, as required by NamPower, the overhead powerline for TeraSun Energy is to be **located within an existing and operational NamPower overhead powerline servitude**, consequently proof of written notice to the local authority council, regional council and traditional authority will not be applicable.
- That NamPower will be registered and lawful owner of this overhead powerline upon commissioning, and NamPower will enjoy all rights thereof.
- That, TeraSun Energy currently has ongoing engagements with NamPower to finalize the grid connection process and associated agreements which are expected to be completed not before December 2025.
