OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Mukatara Building and Construction Cc
P. O Box 727
Rundu
Namibia

Dear Sir / Madam

SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED TOWNSHIP ESTABLISHMENT ON PORTION 137 IN RUNDU, KAVANGO EAST REGION

The Environmental Impact Assessment and Environmental Management Plan submitted is sufficient as it made adequate provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the construction phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Mukatara Building and Construction Cc and their consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
