## 192 Registration Officials Recruited for SRV in Kavango East

Annakota Hakera

The Electoral Commission of Namibia (ECN) has recruited 192 registration officials in preparation for the upcoming Supplementary Registration of Voters (SRV) in the Kavango East Region.

Speaking during a stakeholder engagement meeting held in Rundu on Wednesday, Regional Electoral Officer Paulus Sifire announced that 295 voter registration points will be established across the region.

These will be supported by 48 registration teams, consisting of fixed, semi-fixed, and mobile units to ensure wide accessibility for all eligible voters.

Sifire explained that the current recruitment strictly focuses on SRV operations, and that recruitment for polling day officials will be conducted separately.

"We attracted applicants who are unemployed and reside within their respective constituencies to reduce logistical burdens, particularly accommodation during training," he said.

He added that the database used in the recruitment process was compiled last year. All temporary officials are hired on a contractual basis and undergo thorough verification to ensure they are not formally employed elsewhere.

Sifire emphasised the importance of a credible voter register, stating: "A credible voters' register is essential for free, fair, and transparent elections."

"The SRV exercise plays a crucial role in keeping the voters' register current and accurate," he noted.

He urged all eligible voters to participate in the process and exercise their democratic right to vote in the upcoming elections. Additionally, he called on stakeholders including traditional authorities, church leaders, and political figures to join ECN in amplifying voter awareness and education efforts.

The SRV process will run from 4 to 19 August 2025 as part of preparations for the national elections scheduled for 26 November 2025.

The final voters' register is expected to be published on 24 and 25 October.

The meeting, however, was not met without criticism. Some political party representatives raised concerns about the transparency of ECN's recruitment practices.

Augustinus Shindimba, the Kavango East regional coordinator of the All People's Party (APP), accused ECN of lacking accountability and failing to evaluate the performance of officials from previous electoral cycles.

"If there's no transparency, we're going to lose everything and democracy won't be democracy," Shindimba argued.

He claimed that the absence of a formal post-election evaluation process has allowed untrustworthy individuals to return to the system unchecked.

He went on to highlight the frustration of unemployed youth who, despite applying, were overlooked.

"It appears the ECN keeps returning to the same individuals instead of giving new applicants, especially the youth, a fair chance," he concluded.

Kavango East registration supervisors have already been deployed across the constituency, with most operating out of their respective Regional Council offices. Those assigned to Rundu Urban and Rundu local authority constituencies are based at the regional office.
