Dear Sir / Madam

Green Earth Environmental Consultants are conducting an Environmental Impact Assessment to complete the town planning procedures, align and create right of way servitudes and access roads, waste management, water and electricity supply for the newly created portions from the subdivision of the Remainder of Portion 6 of Farm Berg Aukas, Grootfontein, Otjozondjupa Region. See attached a Background Information Document which provides information on the proposed project, the possible impacts on the receiving environment and the environmental assessment process to be followed.

Should you have any questions regarding the project, please contact Green Earth Environmental Consultants at the contact details provided on Page 1 of this document. The closing date for any questions, comments, inputs or information is 31 October 2025.

Kind regards

Carien
