Does the proposed project affect you or your property in any way?

- ① The proposed project is a good development to the school and the community.
② The school's internet needs urgent attention so it's a good initiative.

Do you have any points of concern or support regarding the proposed projects? If "yes", please briefly list these in point format:

YES / NO

- ① Yes, our concern as a school is we don't want the staff members to associate with our learners in what ever way.
② The school also advise the machinery operators to minimise noise during the construction process

Does the proposed project affect you or your property in any way?

I does not affect me or my property,
but just the fear of it falling within the school
in case of strong winds.

Do you have any points of concern or support regarding the proposed projects? If "yes", please briefly
list these in point format:

- Falling of tower if not set up properly.
- Disturbance with connection during project phase/set up.
- The location of project is ideal for connection speed.
