Dear: Sir/Madam

**CLARIFICATION ON INTERESTED AND AFFECTED PARTIES – ENVIRONMENTAL
CLEARANCE APPLICATION - APP-006461**

With reference to our application for an Environmental Clearance Certificate (**Application No. APP-006461**) for Portion 34 of Rehoboth Town and Townlands No. 302, we wish to clarify the matter regarding Interested and Affected Parties (I&APs) in terms of Regulation 22 of the Environmental Management Act, 2007.

As part of the public consultation process, public notices were placed at the Rehoboth Town Council notice board, on-site, and advertised in two local newspapers for two consecutive weeks. The public was afforded a period of 14 days (excluding weekends and public holidays) to lodge objections or register as Interested and Affected Parties.

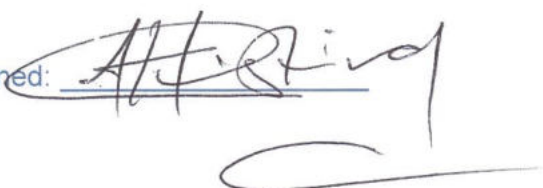

During this consultation period, no persons, organisations, or organs of state came forth to register as I&APs. The only relevant authority identified in relation to this application is the **Rehoboth Town Council**, as the land in question falls within the Rehoboth Townlands.

Accordingly, there is no separate list of registered I&APs to provide, apart from the Rehoboth Town Council.

We trust that this explanation provides the necessary clarity. Please do not hesitate to contact us should any additional information or documentation be required.

Yours in planning,

Mr Harold Kisting
