Dear Sir Mr Pakote

Re: **Notification of Environmental Clearance Certificate (ECC) Renewal and Transfer Application for EPL 8043**

Geo Pollution Technologies was appointed by Votorantim Metals Namibia to assist with the environmental clearance certificate (ECC) renewal and ECC transfer application of exclusive prospecting licence (EPL) 8043. We hereby wish to inform the Ministry of Industries, Mines and Energy that the ECC renewal and transfer application will be lodged with the Ministry of Environment, Forestry and Tourism (MEFT). Any requests for more information or comments on the process can be directed to our offices.
