

**SCOPING REPORT FOR 30MW SOLAR (PHOTOVOLTAIC (PV) PANEL) POWER PLANT
FACILITY (LIGHT INDUSTRIAL) WAREHOUSE & STORAGE IN LISELO COMMUNAL
AREA**

**Copies of any representations, objections and comments received in connection with
the application or the scoping report**

As part of the public participation and consultation process, Nyepez constancy cc Published and placed notices of the proposed project development in both newspapers and local notice boards. Further a public consultation meeting with the identified relevant Interested and Affected parties was held on 28 August 2025 to discuss all developmental matters related to the proposed project.

However, because since the proposed project was not new to most interested and affected parties. **That no objections were received from I&APs.** Thus, is because the initial same project was already approved years back for the same Company within Liselo Communal area on 15 hectares. Hence what changed was the locality and site of the project. however, the project concept and outline and objectives remained the same.
