Eng. Nancy Chiggai
Director
Odula Hydrogen Pty Limited
P.O. Box 99091
Windhoek,
Namibia

Dear Ms. Nancy Chiggai

REF: REQUEST FOR SUPPORT – DEVELOPMENT OF GREEN HYDROGEN PROJECT IN NAMIBIA

Your letter dated 20 February 2024 on the subject matter refers.

Odula Hydrogen Pty Limited, in collaboration with its partners, has expressed intention to invest in the Namibian Green Hydrogen industry with the specific focus on the Erongo Region. An investment in the green energy sector resonates well with Namibia's development goals to achieve national energy self-sufficiency and energy transition, while contributing to export earnings and economic diversification objectives. In this regard, the Ministry of Mines and Energy supports proposals for this type of investment and encourage financial institutions to render support to investors opting for this class of investments in Namibia, including Odula Hydrogen Pty Limited and its partners.

We wish you success in your endeavour and be assured that the ministry will be available to providing relevant information when required.

MINISTRY OF MINES AND ENERGY
OFFICE OF THE EXECUTIVE DIRECTOR
