General terms and conditions

The holder of a mining claim shall –

- Enter into a written agreement with the landowner or land occupier (Section 52(1)(a)(i)).
- Exercise his or her rights reasonably and in such manner that the rights and interests of the landowner or land occupier are not adversely affected, except to the extent to which such owner or occupier is compensated.
- Not erect or construct any accessory works on a mining claim area without the permission of the Mining Commissioner (Section 31(3)).
- Maintain in good condition and repair all accessory works.
- Carry on mining operations in accordance with good mining practices (Section 31).
- Always maintain all claim beacons in a good condition (Section 28(6) and (7)).
- Take all reasonable steps to secure the safety, welfare and health of persons employed, and to prevent or minimize any pollution of the environment.
- Remove all structures, equipment and other goods not used or intended to be used from the mining claim area.
- Take reasonable steps to warn persons who may from time to time be in the vicinity of any accessory works of any possible hazards.
- Give notice to the Mining Commissioner of the discovery of
 - any mineral or group of minerals other than the mineral or group of minerals to which his or her mining claim relates,
 - petroleum,within 30 days of such discovery.
- In the case of a company, give notice to the Mining Commissioner of any change of the
 - name of the company,
 - registered address and principal place of business of the company in Namibia,
 - directors of the company,
 - share capital of the company,
 - beneficial owner of more than 5% of the shares issued by the company,within 30 days from such change.
- In the case of a natural person, give notice to the Mining Commissioner of any change of the address of such person within 30 days as from such change.
- Keep at an address in Namibia a proper record in relation to any
 - mining operations (Section 45(1)(i)),
 - prospecting operations (Section 45(1)(ii)),for a period of not less than 3-years.
- Submit monthly reports to the Mining Commissioner within 15 days after the end of each month (Section 45(1)(d)).
- Submit annual reports to the Mining Commissioner within 60 days after 31 December of each year (Section 45(1)(e)).
- Pay annual mining claim fees before or on the anniversary date of the date of registration of the mining claim (Section 123(1)).

It shall be generally accepted that the holder of a mining claim is acquainted with the provisions of the Minerals (Prospecting and Mining) Act, No. 33 of 1992.
