Dear Sir/Ms

Organs of state with jurisdiction over certain aspects of tourist accommodation are hereby notified that NamibRand Family Hideout is applying for an Environmental Clearance Certificate in terms of the Environmental Management Act, 7 of 2007, and the EIA Regulations of 2012.

The Family Hideout is an existing operation in the NamibRand Private Nature Reserve and consists of a self-catering farmhouse accommodating 10 people, and 3 campsites with space for 8 people each.

Find attached here a Background Information Document describing the extent of the project. Should you have any comments or questions, please do not hesitate to contact me in writing at hoenspotgieter@gmail.com

Kind regards,
Henriette
