

CONSENT LETTER
Environmental Clearance Certificate Renewal – Canyon Lodge

To:
Ministry of Environment, Forestry and Tourism (MEFT)
Department of Environmental Affairs

I/We, the undersigned:

Name of Farm/Property: chamaites

Registered Owner/Representative: Francois Theart

Contact Details: +264 81 2900343

Hereby confirm the following:

We are aware that Gondwana Collection Namibia (Pty) Ltd has applied for the renewal of the Environmental Clearance Certificate for the continued management and operation of Canyon Lodge, located within Gondwana Canyon Park in the !Karas Region.

Canyon Lodge comprises thirty (30) natural stone-built chalets and associated tourism infrastructure and has been operational since 1996.

The renewal application includes alignment with the revised Environmental and Social Management Plan (ESMP), addressing groundwater abstraction and water use, wastewater treatment and reuse, solid waste management, environmental health and safety, renewable energy integration, and conservation and wildlife management within Gondwana Canyon Park.

We confirm that we have no objection to the continued operation of Canyon Lodge under the conditions outlined in the submitted ESMP and applicable regulatory requirements.

We therefore provide our formal consent to the continued operation as described above and to the issuing of the renewed Environmental Clearance Certificate by MEFT.
