

CONSENT LETTER

Environmental Clearance Certificate Renewal – Canyon Roadhouse Lodge (Including On-Site Fuel Station)

To:

Ministry of Environment, Forestry and Tourism (MEFT)
Department of Environmental Affairs

I/We, the undersigned:

Name of Farm/Property/Organisation: Chamaices

Registered Owner/Representative: Francois Theart

Contact Details: +264 81 2900343

Hereby confirm the following:

We are aware that Gondwana Collection Namibia (Pty) Ltd has applied for the renewal of the Environmental Clearance Certificate for the continued management and operation of Canyon Roadhouse, located within Gondwana Canyon Park in the !Karas Region.

Canyon Roadhouse comprises twenty-four (24) guest rooms, a campsite, associated tourism infrastructure, and an on-site fuel station supplying fuel to lodge vehicles and passing motorists.

The renewal application includes alignment with the revised Environmental and Social Management Plan (ESMP), addressing groundwater abstraction and water use, wastewater treatment and reuse, solid waste management, environmental health and safety, fuel storage and dispensing controls, spill prevention and emergency response measures, renewable energy integration, and conservation and wildlife management within Gondwana Canyon Park.

We confirm that we have no objection to the continued operation of Canyon Roadhouse, including its on-site fuel storage and dispensing facility, under the conditions outlined in the submitted ESMP and applicable regulatory requirements.

We therefore provide our formal consent to the continued operation as described above and to the issuing of the renewed Environmental Clearance Certificate by MEFT.
