

CURRICULUM VITAE FOR IPEINGE E. MUNDJULU

PERSONAL INFORMATION

Name of Consultant: Ipeinge Etuwete Mundjulu
Date of Birth: 1984 – 08 - 05
Citizenship: Namibian
Conduct Details +264811477889 email: [reddunes18@gmail.com](mailto:redddunes18@gmail.com)
Membership in Professional Bodies: None (There is no established existing Regulatory Body for Environmental Practitioners / Natural Scientist under any Act of Parliament in Namibia).

KEY QUALIFICATION /EXPERIENCE

Environmental Impact Assessment Practitioner; Red-Dune Consulting CC; I started Red-Dune Consulting CC, a technical consulting company in the field of Environmental and Natural Resource Management. As a lead consultant, I have undertaken numerous EIA and developed numerous EMPs. Furthermore, I have been involved in the development of GCF Concept Note and GEF Project Identification Phase (PIF)

National Project Coordinator, Benguela Current Convention; I was employed as National Coordinator for the UNDP-GEF Funded project called Benguela Current Large Marine Ecosystem.

Conservation Scientist at Ministry of Environment Forestry and Tourism (MEFT); During my employment time at the Ministry of Environment Forestry and Tourism, I was involved in the review of various Environmental Impact Assessment Reports. Reviewing of EIA & EMP reports gave me immense experience on what is expected in terms of environmental management of various project.

Marine Biologist at the Ministry of Fisheries and Marine Resources; During my employment time at the Ministry of Fisheries and Marine Resources, I was responsible for the short and medium-term planning and co-ordination of research projects for pelagic resources (Sardine, Horse Mackerel and Marine Mammals), including the optimal utilization of personnel.

Certificate, Environmental Management and its Compliances; This training course was aimed to improve knowledge on general environmental management in terms of world best practices. Review of environmental laws to ensure compliances. Furthermore, the course provided various case studies on environmental impact assessment and the development of environmental management plans of new projects.

CURRICULUM VITAE FOR IPEINGE E. MUNDJULU

Certificate, Mining Inspection and Compliance Assurance; I attended a month training on environmental compliance at the Center of Environmental Institute in New Delhi, India. This course was aimed to capacitate environmental inspector in ensuring compliance of the mining sector to the provision of environment particularly with respect to the implementation of Environmental Management Plans.

Environmental Impact Assessment; This course was aimed to train sectors of the blue economy on coastal projects, such desalination, wind energy, hydrocarbon exploration etc. During this course, various case study of environmental impact assessment and inspections were undertaken.
