**Curriculum vitae of Nerson Tjelos: Project Environment Impact Assessment Practioner**

Tjelos Nerson is a Geoscientist, US Climate trained Leader and certified Project Manager. He has over 9 years of Environmental Research, Exploration, Mining Consulting and Business Development Experience. Tjelos is a founder and current managing director of a number of business entities in Namibia and Africa, including Excel Dynamic Solutions Pty Ltd, and his team members include young geoscientists, environmentalists, software developers, data analysts and project managers. He is a founding and management member at Minerals Africa Development Institution (MADI) based in Uganda and was responsible for research, innovation and technology division until 2021. Outside business, Nerson has interest in sustainability initiatives, climate change, youth empowerment and leadership development in the area of natural resources management, environmental safety and the internet of things. On a number of occasions, he has volunteered to train small scale miners in Namibia on mining methods, environmental compliance law and business proposals writing for funding. As a US trained Climate Reality Leader and Country Representative for three climate change and world health organizations he spends time raising awareness about climate change and its solutions. His business ambition and ultimate drive for a prosperous Africa was recognized by many local and regional institutions and in the last 6 years he has received several recognitions including: 2022 Best Geology and Environmental Service Company by BUILD in the UK, 2020 Nominee for Africa Youth of the Year Award, Top 100 Most Influential Young Africans in 2019 and 2020, Endorsed Business Mentor for the Tony Elumelu Foundation Entrepreneurship Programme in 2019 and 2020, African Entrepreneurship Awards (by African Development Bank) Semi-Finalist in 2018, Top 10 Development Bank of Namibia Innovation Awarding 2018, Emerging Entrepreneur of the year in 2017 by Namibian Business Hall of Fame and Top 100 Young Brightest Minds in Africa awarded in South Africa in 2017.
