OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director  
Momentous Solar One (Pty) Ltd  
P O Box 22501  
Windhoek  
Namibia

Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE KEETMANSHOOP  
5MW SOLAR PV PARK, KEETMANSHOOP DISTRICT, //KARAS REGION**

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as it makes provision of the environmental management concerning the project. From this perspective regular monitoring and evaluation on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to continue. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Momentous Energy (Pty) Ltd.

This environmental clearance certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
