**RE: UPGRADE & CONSTRUCTION OF ORANJEMUND AIRPORT ACCESS ROAD OF THE
MR118, WITH BORROW PITS, ORANJEMUND TOWN, KARAS REGION**

This letter serves to inform your office that the Oranjemund Town Council (The Proponent) is of the intention to apply for an Environmental Clearance Certificate (ECC) for the upgrade and construction of the existing access road to the Oranjemund Airport situated within the Oranjemund Town.

Urban Green Sustainability Consultants (The Environmental Assessment Practitioner) has been appointed under ENGCO Consulting Engineer (The Project Engineers) to undertake the Environmental Scoping Assessment (ESA), as prescribed by regulation 8 the Environmental Impact Assessment Regulations (Government Notice No. 30 of 2012), to enable an application for an ECC with the Environmental Commissioner (Ministry of Environment, Forestry and Tourism) for the listed activities (Government Gazette No. 4878 of 2012).

The assessment study is currently within its first round of public consultation stage, which will be followed up with a second round of public consultation during which time the completed ESA study report will be made available for review and comment, before submission with the Ministry of Works and Transport, and the Ministry of Environment, Forestry and Tourism.

In line with Regulation 21 of the mentioned EIA Regulations, your office as a potentially Interested and Affected Party (I&AP), are hereby informed of the Proponent's intention to apply for an ECC and is invited to register as an Interested and/or Affected Party (I&AP) and to provide comments and/or feedback, should there be any.

Find below, the background information to the proposed project, overview of the environmental scoping assessment being conducted, and an invitation to register with the Environmental Assessment Practitioner and submit comments/questions/concerns.
