**NOTICE AND INVITATION: ENVIRONMENTAL IMPACT ASSESSMENT (EIA) FOR THE PROPOSED
LISELO SOLAR PROJECT**

Mafwe Traditional Authority, Liselo Sub Kutha and its representatives is hereby formally notified that Michmat Investments, appointed as the Environmental Consultant by the project proponent, Water and Power Supply Namibia (Pty) Ltd, has been commissioned to undertake an Environmental Impact Assessment (EIA) for the proposed Liselo Solar Project.

The Environmental Impact Assessment is being conducted in compliance with the Environmental Management Act (No. 7 of 2007) and its associated Regulations. In fulfillment of the statutory public participation requirements, the proposed project was publicly advertised in The Republikein, The Sun, and Allgemeine Zeitung newspapers on 24 November 2025 and 01 December 2025. A Basic Information Document (BID) has been prepared and is available to all Interested and Affected Parties (I&APs) for review.

Mafwe Traditional Authority, along with all stakeholders and community members, is hereby cordially invited to attend a Public Participation Meeting scheduled as follows:

Date: 18 December 2025
Venue: Katima Mulilo Community Hall
Time: 14hr00 to 16hr00

The purpose of this meeting is to provide an open and transparent platform for stakeholders to obtain information about the proposed solar project, present their views, raise concerns, and submit recommendations for consideration during the EIA process.

Your participation and input in this process are highly valued and will contribute meaningfully to informed environmental decision-making.

Should you require any additional information or wish to access the Basic Information Document, please do not hesitate to contact us.

Yours sincerely,

Michael Matengu
Environmental Assessment Practitioner
