**RE: EIA PUBLIC MEETING INVITATION AND REQUEST TO INVITE KARIBIB COMMUNITY AND NEARBY FARMERS TO THE PUBLIC MEETING**

This communique serves to notify the office of the Acting Chief Executive Officer of Karibib Town Council on the envisaged EIA public meeting for the proposed exploration activities on EPL 10248. The EPL covers the remainder of Portion B of Karibib Town and Townlands No: 57. It has a total covered of 3937.9211 hectares; the EPL contains the following minerals: Dimension stone, Base and Rare metals, Industrial minerals and precious metals. The project geology is part of the gold structure zone within the Damara belt that host multiple gold mines and deposits.

**Junior Baiano Industrial Consultants**, an independent Environmental Assessment Consultant has been appointed by **Cancun Energy cc** to facilitate the EIA process. In order to satisfy the provisions of the Environmental Management Act of 2011 and Environmental Impact Assessment regulations of 2012, a public consultation process must be undertaken. Hence my singular honour to invite Karibib Town Council as a key and important stakeholder through the office of the Acting CEO to the public meeting that is scheduled to take place on the **28th of November 2025, at Karibib Community Hall at 11h00**.

In addition, I hereby request Karibib Town Council to extend the invitation to Karibib Community in general and nearby farms in particular, especially **Karibib Farm No. 54, Navachab Farm No. 58, Habis Farm No. 71, and Okongava-Ost No.72**. I believe through your well-established Marketing and community liaison protocols, my request will be undoubtedly met.

For further enquiries, do not hesitate to contact me on **061-219773/0811472029/0812095996**
