Self-drive ambitions:

It is my ambition to contribute through new innovative approaches to:

- | the betterment of the livelihoods of communities in rural areas
- | lecture students and to ensure that they acquire the necessary skills to enter the job market or to be self-employed (entrepreneurship)
- | to continue to promote and to support the aquaculture industry (mariculture and aquaponics)
- | encourage lodges to implement best practices in waste management
- | contribute to the sustainable management and utilization of the natural marine and terrestrial resources
- | to offer student support and mentorship in research projects, internship and field excursions.

Current focus:

To assist lodge owners located at the Chobe, Zambezi, Kwando and Kavango Rivers with their Environmental Management Plans (EMPs) to ensure that Proponents comply with the Policy, Act and Regulation of MEFT and are issued with an ECC. Furthermore, to provide support to acquire water abstraction and discharge of effluent licenses from MAWLR Department of Water Affairs.
