1. We are looking for employment
2. We want to do business
- We are going to sell Matangara, chips, fat cakes, pap, Chicken fits, potatoes etc.

Dear Sir/Madam

(9)

We are the youth at Mbeys Village we want a humble request for employment. As you know we are the youth and the leader for tomorrow our concern about us youth is we are struggling for money. We've been sitting home for years so we want to upgrade our studies and go further with our education. If we sit home how do you think our Country will be? So please we don't want this construction to leave us out again please Madam/Sir hear us out don't leave us out we got no other opportunity to get money as you know that the Country without educated people is nothing.

Would like to hear further in you with respect.
