Dear Mr. Mufeti,

CONSENT LETTER TIMBER HARVESTING ON FARM 1852 & FARM 1861

I, Mrs. Anna Simon, ID number 98122500617, with position as direct neighbor of Farm 1852 & Farm 1861 does not have any objection for Mr. Petrus E. Unengu to start his timber harvesting operations on his Farm 1852 & Farm 1861.

Mr. Unengu has consulted me on Monday, 3rd of November 2025 and has explained to myself and my office about the nature of his envisaged timber harvesting operations. Furthermore, he has also explained that he has been approved by the Directorate of Forestry to harvest *Pterocarpus Angolensis* (Kiaat) and *Guibourtia Colesperma* (Rosewood) and that the harvesting will be done on a selective basis for trees equal to or wider than 450mm, according to forestry regulations. He also explained the inventory report to me that was done and approved by the Directorate of Forestry including the number of trees that were approved for harvest.

I can confirm that the harvesting he intends to undertake will be done on his farms to which he has valid 99-year leasehold agreements issued by The Ministry of Agriculture, Water & Land Reform.

Kindly assist Mr. Petrus E. Unengu receive his Environmental Clearance Certificate.

Please do not hesitate to contact me for any enquires on the following number: +264(0) 81 7577926.

Your sincerely,

.....

Ms. Anna Simon
